**COMMISSION REVISES APPLICABLE EX PARTE PROCEDURES FOR WIRELESS  
INNOVATION AND INVESTMENT NOTICE OF INQUIRY (FCC 09-66) AND EXTENDS  
COMMENT AND REPLY COMMENT DEADLINES**

**GN Docket No. 09-157**

**GN Docket No. 09-51**

**Revised Comment Deadline: September 30, 2009**

**Revised Reply Comment Deadline: October 15, 2009**

With this Public Notice, we modify the Wireless Innovation and Investment Notice of Inquiry (NOI)<sup>1</sup> in two respects. First, we provide that all *ex parte* presentations made in this proceeding shall be subject to “permit-but-disclose” requirements in accordance with the Commission’s *ex parte* rules. Second, we extend the comment and reply comment filing deadlines.

**A. Ex Parte Presentations**

On August 27, 2009, the Commission issued the Wireless Innovation and Investment Notice of Inquiry, which provided that, for purposes of the *ex parte* rules, this was an “exempt” proceeding in which *ex parte* presentations need not be disclosed.<sup>2</sup> We find, however, that the *ex parte* procedures here should be conformed to the “permit-but-disclose” procedures applicable in the National Broadband Plan docket, GN Docket No. 09-51, in which comments to this NOI must also be filed. Further, it is in the public interest to treat this NOI as a permit-but-disclose proceeding because of the broad policy implications of the proceeding. Therefore, we now provide that the inquiry this Notice initiates shall be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules.<sup>3</sup> Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented generally is required.<sup>4</sup> Other requirements pertaining to presentations are set forth in section 1.1206(b) of the Commission’s rules.<sup>5</sup>

Further, it is the intent of the Commission that contacts with the Commission pursuant to this NOI also

An executive department or agency official may communicate orally with registered lobbyists concerning general Recovery Act policy issues, provided that such oral communications shall not extend to or touch upon particular projects, applications, or applicants for funding, and further that the official must contemporaneously or immediately thereafter document in writing: (i) the date and time of the contact on policy issues; (ii) the names of the registered lobbyists and the official(s) between or among whom the contact took place; and (iii) a short description of the substance of the communication. This written summary will be posted publicly on the Commission’s website within 3 business days of the communication. #### **B. Comment and Reply Comment Filing Deadlines**
